Boston, Ms.

Ms. A. 1.2 v. 40 p. 48 (c)

1878
Thank you for kind invitation to attend
the greeting to Garrison, - just
come, but too late for me to reach
you. Forty three years! what an
eternity to look forward to - how
brief, when gone! What wonderful
works have been done in that time!
Courage! & overcome the prevailing ~~igno~~
rance, sensuality, & corruption. L.M.
